Senator Chronister and Vard Johnson. Here's Senator Johnson, so I guess we're ready to go. Please return to your seats ladies and gentlemen. We're having a roll call vote so we need quiet so the Clerk can hear your response. Thank you.

CLERK: Roll call vote taken. (See pages 1912-13 in the Journal). 20 ayes, 23 nays, Mr. President.

SPEAKER NICHOL: Motion fails. Mr. Clerk, you have something to read in?

CLERK: Mr. President, your Committee on Enrollment and Review reports Legislative Bill 356 as correctly engrossed. Senator Wiitala would like to print amendments to 273. Have a study resolution by Senator Landis. Read LR 88. (See page 1914 in the Journal). That will be referred to the Exec Board.

SPEAKER NICHOL: Ladies and gentlemen, I need your attention for a moment. Tomorrow morning we're going to be doing Final Reading and one of the bills takes a little over an hour to read so I'd like to know if I could have your cooperation for a few of you to check in so that we have a quorum at eight o'clock and then we could start with the voting at nine approximately and we'd let you know before we take the vote on the first bill which is the condominium bill, incidentally, and if you'd wish to cooperate in that way we could take up an hour's time and you could be doing something else while we're reading that bill. In the way of letting me know this, would you please clear the board, Mr. Clerk, and we'll see how many would do that, would be here at eight o'clock so that we could have a quorum and then take it up at nine after the first, with the first reading. So if you will be here at eight o'clock, let me know otherwise we'll start at eight-thirty so let me know if you could be here to check in at eight o'clock. Well, looks like we'll start at eight-thirty. I'm impatient. Skip it, we'll start at eight-thirty. Let's try to move this bill. I understand we have no more amendments on it. Who's...Senator Warner.
